In order to do so we emphasize that all race participants and spectators must be respectful of visitors to Grant's Tomb National Memorial, Riverside Church, Riverside Park, and Sakura Park throughout the day.
- Do not interfere with the activities of users of these facilities and be respectful of, and cooperate fully with, any directions from law enforcement officers and race staff.
- **Cyclists are NOT ALLOWED to use the restrooms or otherwise enter Riverside Church.** There will be port-o-johns available on-site at the North and South ends of the race course on southbound Riverside Drive.

- Results will be published shortly following the conclusion of each race and riders will have a 15 minute protest period. After the protest period, results are final.
- Neutral support will be provided by SRAM. Officials will provide information on free laps prior to the start. Familiarize yourself with USAC rule 3D4 regarding free laps.
- Due to the course distance, it is possible that a break could lap the field. Please be aware of the lead moto if a break laps the field and familiarize yourself with corresponding USAC rules 3D3 and 3D4.
- Officials will give instructions regarding pulled riders during staging. Given the distance of the course, riders are likely to get pulled, so please listen and look out for instructions.

- Officials will time the opening laps of each field and provide a lap count based on those times. The lap counter is located at the finish line.
- Numbers must be pinned on the Right side and back.
